[SHP-DP727]
Connected Doorlock

Premium PUSH PULL

**Bluetooth Function**
- **Family arrival notification**
  Check family members’ safe return through real time notifications
  - Receive real-time SHome app push notifications when certain family members arrive at home such as your child or elderly parent
  - Check the safe return of children in dual income families

**In & out record**
Increase home security by checking the in & out records
- View the door usage records of your home via SHome App anytime (up to 30 records)

**Convenient bluetooth unlock**
No need to carry door keys. Unlock your door with your smartphone
- Approach to the door lock and unlock the door by simply touching the door button on the SHome app
- Unlocking with RF Cards and password

**Push Pull Doorlock Function**

**Automatic motion detection**

- **Suspicious movement alert**
  When the embedded IR sensor detects any suspicious movement for more than one minute, the door lock sounds warning siren

- **Wake-up feature, “Welcome”**
  When the embedded IR sensor detects any motions within 50cm range, the door lock automatically activates the welcome feature, lighting a keypad, and pairing bluetooth

**Additional features**

- **Operation status sign**
  Clear LOCKED, UNLOCKED operation status notice

- **Silent mode**
  Activate silent mode when you enter at night while your family members are sleeping

**Safe and convenient door open**

- **Anti-panic bar**
  No more grab and turn, just pull and push!
The push-pull door handle mechanism makes it easier to open and close the door than ever before

- **Quick escape in emergency**
  In the event of emergency such as a fire or earthquake, one step push-pull handle helps quick and safe escape from a house
